Subject: [EXTERNAL] Public Comment below on REVISED Ethnic Studies Model Curriculum

The Revised Ethnic Studies Model Curriculum erases, stereotypes, discriminates against certain ethnic peoples in favor of other ethnic peoples.

It ignores the Diversity among white people in California whose Ethnicity is Irish, German, Russian, Australian, Scottish, Hungarian, French, Welsh, etc.

It ignores the Diversity among Jews in California whose ancestors were Syrian, Moroccan, Libyan, Ashkenazi, Sefardi, Yemeni, Mizrahi, Iranian, etc.

Please FIX the Curriculum to make it an educational experience for the children of California - all children, including the children of the groups focused on - deserve to learn about the beneficial contributions to California of the ignored peoples.

Very sincerely,
