Good afternoon,

I am sending this email to voice my objection to implementing the Ethnic studies program as presently drafted.

The program as drafted is filled with anti Jewish information.

One example of may is that this program refers to Jews as privileged and is the only group designated as such.

The authors of this program, even if they are minorities themselves, harbor tremendous racist and anti Jewish sentiments.

Please do not add to the grave increasing amounts of anti Jewish sentiment by teaching the youth to hate Jews.

Thank you kindly,

Shirin
