Dear IQC and SBE Members,

I am a California Jewish high school student/ally supporter.

We deserve an adequate ethnic studies model curriculum that represents our history in the classroom.

We are calling for the curriculum to:

- teach about antisemitism in all its forms.
- represent the diversity of the Jewish community.
- include a lesson plan about Middle Eastern communities, including Jews.

I am adding my research journal about my Jewish community in Libya. I hope it will show a bit of the huge and complex ethnic diversity the Jewish community enjoy from.

Thank you.

Shai
