Subject: objection to 2020 Ethnic Studies curriculum

The [Introduction](#) of the proposed curriculum states that, "The implementation of Ethnic Studies presents an opportunity for teachers to... enable students to develop a deep appreciation for cultural diversity and inclusion, and aids in the eradication of bigotry, hate, and racism." Despite this stated goal, the curriculum does not feature a single lesson about the Jewish community, mentioning Jews only in passing. With antisemitism rising and ignorance about the Jewish people still a major problem in our society, the exclusion of Jews from this curriculum is deeply disappointing.
