Subject: [EXTERNAL] Ethnic Studies Model Curriculum Comments

Greetings,

My name is Kenneth Goodman, I live in Los Angeles.

I am writing to urge you to strike out ALL anti-Semitic and anti-Israel and pro-BDS references in the California public education curriculum. None of these have any place in our public education system; they are part of a larger war of hatred against the Jewish people.

“Diversity” education and “multi-culturalism” should never be used as a veneer for pitting one minority group against another. It’s offensive and our taxpayer money should not be used to plant this sort of hatred in our children.

Respectfully,

Kenneth Goodman
