This is just wrong! Israel has a right to defend their land terrorist constantly attacking Israel! BDS, is like boycotting a person who is being attacked! Simply not right and untrue! To have this in your curriculum is simply ignorant on your behalf! Teach our children not Indoctrinate them to your stupid ideas!

Boycott, Divestment and Sanctions (BDS)- is a global social movement that currently aims to establish freedom for Palestinians living under apartheid conditions. Inspired by tactics employed during the South African anti-apartheid movement, the Palestinian-led movement calls for the boycott, divestment, and sanctioning of the Israeli government until it complies with International law. BDS proponents and organizers have called for the global community to boycott or withdraw support from Israel and companies associated with it. The second component of BDS calls for governments, banks, universities, and other institutions to withdraw monetary support (divestment) from Israel and its companies. And finally, the third component—sanctions—asks international governments to hold Israel accountable for its actions through legislation, trade and military agreements, among other measures.
