Subject: [EXTERNAL] Pro-Ethnic Studies Model Curriculum

To whom this may concern, I would like to send this email in favor of supporting the passing of the Ethnic Studies Model Curriculum. I believe every student has a right in knowing about all types of history, and not only the history of the colonizers. As a college student, I did not learn any of these Ethnic Studies until my college years, and I believe kids K-12 should learn about all this now and not until they reach college.

Thank you, sincerely,
