		<p>The Boycott, Divestment, and Sanctions movement against Israel is an antisemitic movement that has as its the goal eradicating the State of Israel. Its founders, including <a href="#">Omar Barghouti</a>, have admitted as much.</p> <p>Germany has <a href="#">recognized</a> BDS as antisemitic.</p> <p>The United States Congress has passed repeated resolutions condemning BDS. The most recent in July 2019 received overwhelming bipartisan support, and passed 398-17.</p> <p>Numerous <a href="#">state legislatures</a> have passed laws that prohibit state agencies from doing business with any firm that supports BDS.</p> <p>California Assembly Bill 2844 was signed into law by Governor Jerry Brown on September 24, 2016. The law requires those who enter into contracts with state agencies to certify that they are not involved in activities that violate the Unruh Civil Rights act, including support for the BDS movement and its programs.</p>

2	Richard Ginsburg	<p><b>[Pg. 242, Lines 5157-5163]</b></p> <p><b>The ESMC, at line 5157-5163, adopts the "Nakba" narrative:</b></p> <p>The largest single group [of Arab immigrants to the US] was Palestinian, as hundreds of thousands of Palestinians had been displaced in the Nakba (Arabic for “Catastrophe,” the term used to describe the dispossession and dispersal of many Palestinian Arabs from the new state of Israel in the 1948 Palestine War). Most of the Arab immigrants to the US in this period, Palestinian and otherwise, were well-educated professionals because restrictive immigration laws kept out those without wealth or a trade.</p> <p>The Facts:</p> <p><b>This section introduces historical events without providing any factual substance.</b> The following are facts students need to know in order to have a basic understanding of the Israeli-Palestinian conflict and the current Palestinian predicament:</p> <p>What happened in 1947-48 that led to the Palestinian Arab dispersal?</p> <p>1) No state of Palestine existed. Two states were proposed – a Jewish one and an Arab one in <a href="#">UN Resolution 181</a>. The resolution was accepted by the Jews and rejected by the Arabs. <b>Arab armies invaded with the stated goal of eradicating the Jewish state.</b></p>
---	------------------	---

		<p><a href="#">Resolution 242</a>, passed after the 1967 war, forms the basis of a peaceful solution.</p> <p>2) <b>Most Palestinian Arabs who fled expected to return after the Jews had been defeated.</b> Forcible removal of Arabs by Jewish armed groups was responsible for only a small portion of Palestinian Arab flight. For more, see <i>Palestine Betrayed</i> by Efraim Karsh and <i>The Arab-Israeli Conflict: The Palestine War 1948</i> also by Efraim Karsh.</p> <p>3) The Jews are indigenous people of the territory called Palestine. <b>For much of its history it was known as Israel or Judea. The Jewish presence goes back several thousand years.</b> The Arabs arrived as conquerors in the 7th century.</p> <p>4) The Palestine Mandate was a creation of the League of Nations and administered by Britain. It included what is now Jordan in 78% of the total land area.</p> <p>5) <b>The leading Palestinian political figure of the first half of the 20th century was Haj Amin Hussein.</b> He incited violence against Jews and Arabs who sought a peaceful compromise and he collaborated with the Nazis. After World War II ended, he returned to the Middle East and organized a campaign of violence against Jews. See <i>The Mufti of Jerusalem: Haj-Amin el-Husseini and National-Socialism</i> by Jenny Lebel.</p>

		<p>6) Fatah (1959) and the PLO (1964) were created before Israel took control of the West Bank and Gaza (1967). Their goal was to erase Israel. The Fatah General Congress in 2010 reaffirmed its commitment to violence and dismantling the Jewish state.</p> <p>7) The chief obstacle to moving forward with a peaceful resolution is incitement and indoctrination to reject Israel and vilify Jews that is rampant in Palestinian media, schools, mosques and official messages to the public. Organizations like <a href="#">MEMRI</a> and <a href="#">Palestinian Media Watch</a> have documented on-going incitement to violence and hatred.</p>
2	Richard Ginsburg	<p><b>[Pgs. 268-269, Lines 5792-5820.]</b></p> <p><b>ESMC Lines 5792-5820 include a lengthy rap song that calls for “Free Palestine”</b> with the lyrics, “I love you, Free Palestine,” and “As the saying goes, ‘The situation must be threatened, but in reality, the situation must stop’; For every free political prisoner, an Israeli colony is expanded.”</p> <p>The song also implicitly refers to Jews in saying that Israelis, most of whom are Jews, “use the press so they can manufacture,” a classic anti-Semitic trope that Jews control the media.</p>

2	Richard Ginsburg	<p><b>[Pg. 278, Line 6008]</b></p> <p><b>Line 6008 of the ESMC promotes the Council on American-Islamic Relations (CAIR) as a reliable source of information.</b></p> <p>The Facts:</p> <p>CAIR was an <a href="#">unindicted co-conspirator</a> in the Holy Land terrorist financing trial.</p> <p>It has been labeled a <a href="#">terrorist group</a> by the United Arab Emirates.</p> <p>CAIR has been <a href="#">ousted</a> from the San Diego public schools for promoting Islam.</p> <p>Clearly, CAIR is not a reliable source of (unbiased) information suitable for informing young, developing minds.</p>

2	Richard Ginsburg	<p><b>[Pgs. 279-286, Lines 6010-6181]</b></p> <p>The ESMC, at lines 6010-6181, extensively focuses on <i>Islamophobia</i> (“fear” or “prejudicial bias” against Muslims) yet does not discuss <i>antisemitism</i> (prejudicial bias against Jews). Why?</p> <p>The Facts:</p> <p><u><a href="#">FBI figures</a></u> show much greater prevalence of antisemitism and violence directed against Jews.</p> <p>There is no evidence of legal discrimination against Muslims in the United States.</p> <p>On <b>college campuses</b>, including in California, Jews, especially those who support Israel, are subject to the most extensive harassment.</p>
