Subject: [EXTERNAL] Anti-Semitism in Ethnic Studies

To Those In Charge of the Ethnic Studies Curriculum,

Please reconsider singling the Jewish people out as targets for this blatant anti-semitism. There is no place for hate in the public school system, this is dangerous to the Jewish community and I fear their will be blood on your hands for your incitement to hate.

Sincerely,

Adam Salamon

A former Glenbrook Middle School and Mt. Diablo High School Student from Concord, CA
