Subject: [EXTERNAL] Anti-Semitic School Curriculum

Dear Commissioner Chao,

I strongly urge you to immediately STOP the spread of the poisonous anti-Semitic ESMCD curriculum in California schools.

Many school districts have mistakenly adopted this subversive and racist curriculum, not fully aware that it vilifies the Jewish State and praises terrorism and terrorists.

This must end right now! Children must not be taught to hate and become racist and anti-Semitic bigots!

Thank you.

Rabbi Larry Gevirtz
