I am disgusted with all of you and you should be ashamed of yourself. To inject left-wing propaganda into the educational system is as bad as the Nazis. Seems like liberal left-wingers have more and more in common with the Third Reich with the passing of each day. I wrote a paper in elementary school and the state report was on California and what a great state it was. Too bad it has turned into such a left-wing cesspool for fanatics.

Sincerely

D. Breier
