Dear Chairperson,

I urge you to deny passage of the proposed mandatory Ethnic Studies Curriculum in California. It celebrates individuals who have promoted anti-Semitism, divides people using racial distinctions, and singles out the Jewish people as having racial privilege. Jews are the ONLY group in the curriculum for whom the word "privilege" is used.

In a time of surging global anti-Semitism, this biased curriculum will only add to hatred and divisiveness. Stop the political indoctrination by voting against this current curriculum.

Thank you for your consideration,
