

I am writing to express my feelings in the ethic studies curriculum.

I feel the idea is important but feel you have excluded the s Jewish people and have put a slant against them.

With the new CHYA curriculum, we must teach all sides to give everyone a fair chance. In this curriculum you are only on Palestine's side. It is WRONG

Here are a few concerns with the curriculum include:

- Jews have been excluded from ethnic groups mentioned.
- Anti-Semitism has been excluded from hate crimes/discrimination even though half of religious-based hate crimes in the United States are against Jews.
- The divisive BDS movement, which seeks to erase the state of Israel, is included with no balancing perspective.
