Glossary	<i>Evelyn W Lamon Tax paying resident in CA Concerned citizen Parent/grandparent of CA public schools</i>	Glossary – includes a definition of the Boycott, Divestment, and Sanctions (BDS) Movement against Israel. It claims the purpose of BDS is to “establish freedom for Palestinians living under apartheid conditions.” It then parrots more BDS talking points while offering no critical perspectives about this campaign of hate, which seeks to end Israel’s existence.
Sample Lesson Plans		Page 234 – Encourage teachers to highlight BDS and a pro-BDS group called Direct Action for Palestine, but no voices critical of their perspectives.
Sample Lesson Plans		Page 234 – Promotes a false equivalence between Israel’s efforts to stop terrorists from entering communities to murder innocent people, and U.S. policies on the border with Mexico.
Sample Lesson Plans		Page 237 – Uses unclear language that implies “Israel-Palestine” as a whole is an Arab country.
Sample Lesson Plans		Page 242 – Frames the Palestinian narrative of the 1948 War as fact, with no alternative perspectives.

Introduction		Introduction – States that “The implementation of Ethnic Studies presents an opportunity for teachers to...enable students to develop a deep appreciation for cultural diversity and inclusion, and aids in the eradication of bigotry, hate, and racism.” Despite this stated goal, the curriculum does not feature a single lesson about the Jewish community, mentioning Jews only in passing. With antisemitism rising and ignorance about the Jewish people still a major problem in our society, the exclusion of Jews from this curriculum is deeply disappointing.
General		As an American, I am deeply disturbed by the model curriculum currently being reviewed by The State of California, which openly promotes hateful boycotts against Israel and omits antisemitism as a form of bigotry. I am appalled that an educational effort meant to teach students about marginalized communities includes no lessons about Jews as a sizable ethnic minority and frequent target of racism. As a parent and a California resident, I would hope to see the State of California teaching inclusion and tolerance, rather than BDS, which promotes hate and division.
