Subject: Curriculum Opposition

I've recently learned that the State of California is currently reviewing a model of ethnic studies curriculum which openly promotes hateful boycotts against Israel and omits anti-Semitism as a form of bigotry. I've noticed that the proposed curriculum includes nothing about Jews as a sizeable ethnic minority and frequent target of racism. I **urge** you to oppose this unbalanced and inaccurate curriculum that will negatively impact my family and future generations!!!!

Sincerely,

Carol Schmidt, Ph.D.
