I have 2 children and soon to be 3 children who attend the BHUSD and we oppose AB-331.
We request that the Ethnic Studies be removed in its entirety.
No to AB-331 and No to Ethnic Studies.

"As a leader in the BHUSD community, I am very aware of my responsibility to encourage the voices of our parents, students, and staff to be captured by those in a position with the authority to make decisions. It should be noted that we denounce all forms of Anti-Semitism, prejudice, bias, or discrimination of any person. The concerns regarding AB-331 should be heard, we read every public comment made this evening at the Board of Education Meeting however, should our community want to reach the Department of Education regarding AB-331, I encourage you to email ethnicstudies@cde.ca.gov."
