Subject: Proposed ethnic/social studies curriculum

"Chicano/a/x" when saying "Chicano," and the use of "herstory" or "hxstory" when saying "history."

Regarding your 22 pages of proposed culturally-correct vocabulary:

PLEASE find a country you think is better and immigrate post haste!
America is NOT perfect, but what you propose is sick and ludicrous.
Fix your OWN lives before demanding the majority accept your sick lifestyles.
