Subject: Deep concern

The Ethnic Studies Model Curriculum is deeply troubling—not only for its shocking omission of any mention of Jewish Americans or anti-Semitism or its blatant anti-Israel bias and praise of BDS, but for its clear attempt to politically indoctrinate students to adopt the view that Israel and its Jewish supporters are part of ‘interlocking systems of oppression and privilege’ that must be fought with ‘direct action’ and ‘resistance,’

California lawmakers have begun to raise alarms over the proposed curriculum, the result of a [2016 law](#) calling for the creation of a model ethnic-studies curriculum by the state’s board of education.

What are you doing to address this bias,

Sincerely,

Am levy
