Subject: [EXTERNAL] demands

As a California residence/citizen, Please see my demand below, thx:

- Include the Arab American lesson plan submitted to the California Department of Education by members of the original Ethnic Studies Model Curriculum (ESMC) advisory committee.
- Re-insert Arab American studies in its rightful place—within Asian American studies.
- Align all lesson plans to the guiding principles of ethnic studies, which are anti-racist, decolonial and liberatory.
- Reject debunked definitions of antisemitism that equate criticism of Israel with antisemitism.
