Dear All People,

Being a 2nd Generation Holocaust survivor and who lost everyone in my family by gas chamber, oven, being buried alive or firing squad. I think it would be I'll advised to teach or have a class in California's proposed Ethnic Studies Model Curriculum which are all lies and exaggerations. Please think what this curriculum will create hate and injustice and all races would suffer. I am a BLM Supporter. Stay safe and well.

Sincerely,

Les Geller
