General		The Curriculum is politically motivated. It has a radically leftist agenda, and is not a reasonably balanced educational tool. It should be entirely rejected.
“		The Curriculum promotes BDS against Israel, which is an anti-Semitic movement and has been condemned by the U.S. Congress
“		If there is treatment of Islamophobia and Arab-Americans, why isn’t there similar treatment of anti-Semitism and Jewish-Americans?
“		The definition of capitalism is skewed and based on radical socialism.
“		The definition of ‘whiteness’ is discriminatory and serves to increase divisiveness in our country, rather than bringing people together.
