Hello,

In general I support the Ethnic Studies curriculum.

However I am concerned over parts of the Arab American Studies ou line that call for BDS of Israel, the use of political biased language when discussing the founding of Israel, the anti-Semitic trope of the relationship to Jews and the media, and the lack of discussion of anti-semitism in the glossary and bibliography.

I hope you will reconsider this part of the curriculum.

Thank you,

A handwritten signature in purple ink that reads "Gail". The signature is written in a cursive, flowing style.
