To Whom It May Concern,

As a proud Californian voter, I think it is important that the ethnic studies curriculum taught in our schools reflect a broad range of experiences. Accordingly, it is very important to me, and my family, that the curriculum include the following:

- 1) Include broad Jewish American experiences and teach about anti-Semitism
- 2) Ensure that denigrating content about Jews and Israel — including support for the Boycott, Divestment, and Sanctions movement — is excluded
- 3) Include sample lesson(s) reflecting the diversity of Jewish Americans
- 4) Recommit to transparency and the predetermined process of writing to the ESMC

This is very important to me and I appreciate your support. Thank you.

Kindly,

Bryan Berkett
