Chapter of Model Curriculum	Your Name and Affiliation	Comment (include page and line numbers where applicable)
General	<i>James Moon</i>	Korean is very large group in CA. Schools need to teach Korean history like Chinese history or Japan history. It will be the great understanding for our kids and the great respect for each other.
General	Eun Jin Hwang	The World War 2 is the biggest tragedy. Schools have to educate children the real truth of what Japan did.
General	Jihoon Moon	You should educate all the countries in CA. China, Japan, Korea, Philipin, Vietnam, and so on. Can you say that one is not important compared to others?
