**Subject:** Curriculum revision

Dear Educators,

We are writing to express our great distress and disappointment at the decision to create a revised program of study that unfairly and inappropriately attacks the State of Israel. This wanton discrimination and bias sends a distorted and chilling message to the students of California and the nation. We implore you to reconsider and direct your energies to a fair and balanced curriculum. We appreciate your consideration to this matter.

Sincerely,

Stanley & Florence Fischman

New Milford, NJ
