**Re: Public comment on the second ESMC draft H.S. curriculum**

**We need to recognize the diversity of the community by including the many faces of Jews including those of Middle Eastern and North African descent.**

**We need to include an accurate definition of Antisemitism. (See the Internaional Holocaust Remembrance Alliance statement. And we need lesson plans on antisemitism.**

**Public comment should be included in all phases of the development of this draft.**

**Maxine Endy**
