Dear State Board of Education,

The San Francisco Korean American History Museum (SFKAHM) is an archive that will eventually collect and house all available items that relate to the Korean immigrant experience in and around the San Francisco Bay Area. The San Francisco Korean American History Museum supports the Asian Pacific Islander School Board Members Association (APISBMA) request for revisions to the final draft of the Ethnic Studies Model Curriculum (ESMC) to be presented to the State Board of Education (SBE) in March 2021.

The desired revisions which are focused on usability, accessibility, and equity are as follows:

1. The "Asian Americans and the Model Minority Myth" Lesson, Sample Lesson #31 in Appendix A, should be listed as the first sample lesson in the AAPI unit and be rewritten to remove stereotypes and to incorporate reflection based on analyzing data.
2. Language should be added to Chapter 3: Instructional Guidance for K-12 Education to frame "Asian Americans and the Model Minority Myth" as a foundational lesson to the AAPI Unit and as an indispensable component of any Ethnic Studies course.
3. In the AAPI Unit, the pan-Asian lesson plans should be listed first, followed by one lesson plan per ethnic group in alphabetical order, and concluding with an additional resources section for groups with more than one lesson plan. Groups with more than one lesson plan should provide input on which lesson plan is foundational for their group.
4. Appendix A should be reclassified as "Chapter 4" in the ESMC and "Chapter 4: Bibliography" should be reclassified as "Chapter 5: Bibliography" Appendices A and B (formerly Appendices B and C). The lesson plans must be highlighted as core content for educators to build Ethnic Studies courses, not as supporting content in an Appendix.

We also suggest the inclusion of Korean American historical sites in Appendix B: Lesson Resources. We have compiled a list of important Korean American historical sites in California at the following link. (<http://online.fliphtml5.com/xmml/wfeq/#p=1> )

"Asian American and Pacific Islander Studies" is an indispensable asset to the teaching of Ethnic Studies. We join local, statewide, and national organizations in support of the final

approval of the ESMC; with these edits to the AAPI Unit and to the ESMC in general, we believe California students will soon experience a curriculum that better represents the diversity of our community.

Sincerely,

Eun Kyung Jung
