

To whom it may concern:

Please find attached my input regarding model Ethnic Studies curriculum.

Unfortunately I find it unacceptable. It openly promotes [hateful boycotts](#) against Israel and omits anti-Semitism as a form of bigotry.

In the atmosphere of increasing anti-Semitic hate crimes in California, when the Jewish community remains by far the largest target of religion-motivated hate crimes, one would expect that Public School curriculum would contribute to a fight against anti-Semitism. But sadly, proposed curriculum would only promote hateful feelings against Jews and Israel.

I respectfully ask to reject this curriculum and replace it with the one that does not marginalize Jews and Israel.

Thank you.
