		<p>This is just bizarre far left crap. It is indoctrination, the same as if I lived in Alabama, and my child was forced to pray to Jesus everyday. It is also idiotic. And embarrassing.</p> <p><b>“Hxstory?”</b> You must be joking.</p> <p><b>“variously takes the forms of being interdisciplinary, multidisciplinary, transdisciplinary, undisciplinary, and intradisciplinary.”</b> Who comes up with this crap? Are you trying to teach our children to write incoherently?</p> <p><b>“xdisciplinary, loving, and critical praxis of holistic humanity.”</b> You must be on drugs. This is the kind of crap spoken by cults.</p> <p><b>“the academic discourses of Ethnic Studies respecting students as intellectuals;”</b> This crap is anti-intellectual. Like religious indoctrination.</p>

		<p><b>“the field of Ethnic Studies remains under attack (e.g., department consolidation, lack of institutional support, threats made by those with white supremacist beliefs, blatant resistance to implementation, etc.)”</b></p> <p>Because if it is anything like what you describe in the introduction, it is beyond belief stupid. It makes me feel like you are teaching my child to love Jesus.</p> <p>And I/she say this through and beyond a transdisciplinary praxis of heterogeneity lens, inculcating hxstories of marginalized idiopathy, transgressing the dominant idiom.</p> <p>I pay taxes for somebody to write this bullshit?</p> <p>This becomes a part of my child’s “education”?</p> <p>This better be a fucking elective, and not a requirement. Because it is a fucking joke.</p> <p>I know education in California is bad. I had no idea it was this bad.</p>
