Amen. If you don't know who Menachem Begin go to Wikipedia.. He was one of the leaders of the "new Jews" that Robert Kennedy discovered when he visited Palestine in 1948. Kennedy wrote during this visit that the Jews "have an undying spirit" and that "They will fight with unparalleled courage." Sirhan Sirhan, the Palestinian who murdered Kennedy in 1968, said Kennedy's longstanding support for Israel was the reason for his assassination.
