Chapter of Model Curriculum	Your Name and Affiliation	Comment (include page and line numbers where applicable)
General	Kathy M. Watson and James F. Watson	Public school is tended to educate, not indoctrinate. If approved, the proposed curriculum will only cause more reasonable thinking families to flee from the public education sector. We encourage the Department of Education to reject in its entirety this curriculum that is riddled with propaganda intended to indoctrinate kids in a far-left agenda and to hate our Country.
