Subject: ESMC bill must be stopped

Dear California Department of Education,

I am writing to voice my strong opposition to the Ethnic Studies Model Curriculum ("ESMC"). I am a doctoral student and am planning a family in the near future. If I am so blessed, I plan to send my children to public school in the Los Angeles Unified School District.

My tax money should not be used to support anti-Israel propaganda!
Please nix the ESMC.

Best,
Andrea Vassilev
