Subject: Curriculum

To whom it may concern,

The plan to add specific education, aimed to DECREASE, chronic Racism, & Bigotry in our world, is admirable, indeed.

BUT, I feel that in order to do this Properly, it must be re written, Changed to fairly include the chronic Racism vs Jews , the Jewish people, & the state of Israel.

Otherwise, your "plan", will certainly only Add, to this chronic, horrific, situation!!!!

Sincerely

Dr.Allan Weiss
