Re: Ethnic Studies Model Curriculum

11/18 - Subcommittee Agenda Item 8

11/19 - Full Commission Agenda item 9

I support the inclusion of Anti-Semitism as part of the Model Curriculum. Alas, anti-Semitic incidents continue to occur in California; Remember the shooting at Chabad of Poway in April 2019. Or the vandalism at Nessah Synagogue in Beverly Hills in December 2019. Or the continuing stream of anti-Semitic incidents this year at Redwood High School in Larkspur.

Anti-Semitism should not be relegated to a link; it should be part of the main curriculum.
