Chapter of Model Curriculum	Your Name and Affiliation	Comment (include page and line numbers where applicable)
General	Daniel E. Prober, Professor, Yale University; Yale faculty member since 1975	This proposed curriculum is totally unfair and inaccurate in describing many aspects of Israel and its relation to neighboring countries. It will incite hatred among students, and lead to future decisions based on false knowledge of the world. Its motivation must be questioned, as such accidental inaccurate and false statements and themes could not all be appearing by coincidence or accident. IT MUST BE RECTIFIED.
