Dear members of the instructional quality commission:

I am supportive of Ethnic studies for high schooler, but I have deep concern about the current Aug. 2020 draft.

I would like to add my support for following two requests for revision.

One from Genuine ethnic studies curriculum that comply with California history-social studies framework 2016. The other is from Alliance for constructive Ethnic studies.

Again, I am deeply concern and not agree with Aug. 2020 draft.

Thank you

Qian zhao
