Subject: [EXTERNAL] SAVE ARAB AMERICAN STUDIES!!

It's never been clearer how important Ethnic Studies is. The racial disparities in the impact of Covid-19, the xenophobic targeting of Asian Americans as "vectors" of disease, and the national uprising in response to the murder of George Floyd point to the need for anti-racist education: All students need Ethnic Studies in their K-12 curriculum to build empathy, unity and solidarity with each other, strengthening our movements for justice.
