**Subject:** [EXTERNAL] Apology for NY Times fake story

I don't know if this will reach everyone I sent the fake NYT front page to because I don't have a list, but I do sometimes fail to do my due diligence, and this is an example. However, I am not prepared to let the Times totally off the hook. On page 1 of a book entitled Hitler's American Friends: The Third Reich's Supporters in the United States by Bradley W Hart, assistant professor at CSU State Fresno he states that on "September 11, 1941, one of America's most famous men took to a stage in Des Moines, Iowa to discuss the national security issue that was on everyone's mind." Lindberg blamed the Jews for "machinations" designed to draw the US into the war in Europe. This speech was published in its entirety on Page 2 of the NYT. New York City Mayor Fiorello La Guardia called the remarks "a carbon copy of a Nazi paper." (p 2)
