Chapter of Model Curriculum	Your Name and Affiliation	Comment (include page and line numbers where applicable)
Chapter 2: Sample Course Models  Pages 234, 237, 242, 256, and 264-269	Richard Bennett Salles; I AM A HEBREW-AMERICAN.	PLEASE please remove BDS and other anti-Israel bias from the model curriculum. It only sounds/seems like Israelis are oppressors and occupiers <b>when their situation is taken wildly out of context</b> . Get real, their neighbors want them dead. They haven't been thru enough? They've got no_place else to go! The Arabs have 19 other countries to call home. If you hate Jews, own it and just say it; don't try to paint Israel as something other than "Blessed life boat" for the last remaining Jews on Earth (thank God).
