**Dear Sirs and Madams,**

**My name is Susanne Kalter Dewitt and I live in Berkeley, California, [Address Redacted]**

**I object to the requirement of the Ethnic Studies Curriculum as a requirement for Graduation of California schools. It is full of stereotypes of Jews, promotes BDS and is objectionable to the Indigenous Populations, the Armenian population and to the Jewish population. It is a very biased curriculum and will cause damage to the populations.**

**I urge you to revise this curriculum or, better yet, to drop it entirely.**

**Sincerely,**

**Susanne DeWitt**
