Dear California Department of Education, Instructional Quality Commission, and State Board of Education Officials,

Please find attached a joint letter of concern from the Executive Directors of the Sikh Coalition and the Jakara Movement, two Sikh community based organizations who represent the approximately 250,000 Sikh Americans living in California, in response to the statement below.

We look forward to hearing from you and hope to engage with you urgently, to address the Sikh community's concerns with California's Ethnic Studies Model Curriculum.

Kind regards, Pritpal Kaur
