Subject: [EXTERNAL] Article on Ethnic studies

I am appalled at the news article I read in the Jewish Journal.

<https://jewishjournal.com/commentary/327667/jews-have-until-thursday-to-influence-ethnic-studies-curriculum/>

This can't happen - I want my voice heard -

I am a proud Jewish woman and loathe the idea that Jewish history is treated with disdain and bigotry.

I urge you to do what's right !
