

Hello,

My name is Maor Fuks. I am Israeli-American. If you teach my friends that Israelis are bad and that they should ban Israel, they will ban me. They will bully me. It is not ok to spread political views and opinions to children, especially in a classroom, which is supposed to be a safe environment for everyone to learn, regardless of their race, sex, ethnicity, sexual orientation, etc. Please don't discriminate me and many others. Please teach my friends to love and support me, not hate me. California is my home.
