Subject: Your new curriculum

What is wrong with your curriculum is that capitalism is wut gives people a chance to invent ,grow and become prosperous take your new curriculum and trash it u socialist hating america trying to brain wash kids before they have and understanding of wut capitalism is and take ur left wing ideology an stop trying to change wut is one of the best things about America. Also why not teach the constitution so the kids no there rights and wut real freedom is and economics so they know how to use there money they will obtain in there futures. No to your curriculum. No to socialism. No to your ideology. Stop before u ruin so many young minds.
