Divided We Fall. United Are Strong

Our lack of unity and support for Israel shows our enemies that we are weak. This, division is causing more Anti-Semitism, more BDS and more terrorists attacks.

The stronger we are, the more we are respected and the safer we are!

A simple way of strengthen ourselves is by helping, The Israel Longhorn Project...

To stop the attacks on the ranches, feed the poor and the middle class, help stop the forest fires with holistic grazing.

To do this we need 12 of you to donate \$50,000 or 600 of you to donate \$1000 or 6000 of you to donate \$100 or 60,000 of you donates \$10.00 each.

You can show your Courage and Moral strength by donating at our web site <http://longhornproject.org>

Or funds in America can be transferred directly at no cost to the nonprofit account using the "Zelle" service with the Wells Fargo Bank, Israel Longhorn Project account number. #3945767931
