Subject: [EXTERNAL] Ethnic Studies Model Curriculum Draft

Sent from my iPhone

To whom it may concern:

I am sending this e- mail, because I am concerned about the ESMCD, a curriculum which omits the Jewish American experience, the vast contributions of the Jewish people, to our great country's mosaic of ethnicity.

This curriculum promotes stereotypes of the Jewish people, anti- Semitic tropes, antithetical to our democratic ideals, of tolerance, and good will, towards all peoples.

There should be no anti- Israel rhetoric.

Let's have a curriculum that encompasses the contributions of all peoples, that have made this the greatest nation.

We need a curriculum which proposes understanding of all, respect for all, and tolerance.

Kindly consider my suggestion.

Respectfully,
Debra Fryd
