Subject: Re:

you must also, as people who are perpetuating the united states of america, and benefiting from life here by using american dollars and living on native american land, acknowledge that you're perpetuating white supremacist thought and racism, no matter your own color, unless you're native american or you were brought here against your will. this is a requirement for true honesty and progress.

On Wed, 14 Aug 2019 at 21:08, homous globus [wrote: you should also have](#) things like the fact the soviets got a human to space after only 42 years in existence as the soviet union, while it took america 180 years. also, they got a woman to space 22 or so years before america. all this was possible because they liberated themselves from the regressive power of religion.

On Wed, 14 Aug 2019 at 20:52, homous globus [wrote: You should have](#) a section on the terrible crimes of capitalists and religious regressives, who often deceive young, impressionable people with lies and false promises, devoid of any provable truth. You must teach how Lenin fought against this and how Marxist-Leninism was a positive move forward against the regressive forces of capitalism and religious zeal. To this day, religion is used throughout the world to keep women under the male boot.
