A Good Muslim Is Evil, A Bad Muslim Is A Good Human

Many Americans know a "Good Muslim" But they are wrong they know a "Bad Muslim" a Bad Muslim is a Good human. A "Good Muslim" would be following Sharia Law, killing and raping you. Islam in America is weak once it becomes strong many Bad Muslims will be become Good Muslims. Bill Warner, Center for the Study of Political Islam.

"The Hebrew Bible has 5.6% of political violence; The Islamic Trilogy Koran, Sira and Hadith have 31% political violence. "The words devoted to political violence in Islam 327,547; the Bible 34,039" The Political violence of the Koran is eternal and universal. The Political violence of the Bible is for a particular historical time and place." Bill Warner, Center for the Study of Political Islam.
