

To whom it may concern. The Ethnic Studies class  
also known as 331 senate bill, will bring about  
a negative view of the Jewish population.  
There is no mention of The Holocaust, WWII,  
Does not see them as an ethnic group,  
and has a slur about them. It has  
anti Jewish comments, and views.  
Please re-word the text book.  
This study should not have any  
negative ~~views~~ views on a people. It  
creates ~~hate~~ hatred, and hostility. And that  
is wrong.

Thank you for your time.

Mrs. Draper.
