Subject: [EXTERNAL] Why Jews Should Support the State's Ethnic Studies Model - article by Rabbi Deb Noily and Hazzan Shulamit Wise Fairman in J Weekly

Dear Board Members,

Tonight's board meeting has already begun, so I'm not sure when you'll get a chance to read this.

<https://www.jweekly.com/2020/05/27/why-jews-should-support-the-states-ethnic-studies-model/>

But in regard to tonight's discussion of the endorsement of the Ethnic Studies Model Curriculum (ESMC), please take a look at this outstanding piece by Rabbi Deb Noily and Hazzan Shulamit Wise Fairman, both from the Kehilla Community Synagogue in Piedmont. It supports the ESMC in a beautiful and articulate fashion.

Please vote to SUPPORT the measure tonight.

Thank you.
